ORDER:-

In the reference 3rd read above, the Commissioner & Director of Agricultural Marketing, A.P., Hyderabad has reported that, at present there are 331 Agricultural Market Yards in the State and these Market Yards were set up more than 30 years back. Some of the Market Yards were set-up during the period of Nizams and Britishers. Due to expansion of towns the Market Yards are now in the centre of towns in many places. Due to the movement of heavy vehicles and light transport vehicles people in and around the Market Yard are now subjected to congestion and traffic problem. This is a problem with most of the Markets in the State. In some of the Agricultural Markets during the chillies season, it is becoming a health hazard to the neighbouring residential localities. Though there is need to move most of these markets away from the centre of the town it was felt it would be better to relocate three market yards on experimental basis and the other market yards can be taken up subsequently based on this experience for relocation. The Commissioner & Director of Agricultural Marketing has therefore requested to permit him to shift three Market Yards i.e. Gaddiannaram, Hyderabad District, Market Yard at Kurnool, Kurnool District and Market Yard at Guntur, Guntur District i.e. one from each region of the State and relocate it. It was also decided to take up relocation of Bhongir Market Yard along with the above three Market Yards.

2. Government after careful examination of the proposal of the Commissioner & Director of Agricultural Marketing, A.P., Hyderabad vide reference 3rd read above and also keeping the above points in view hereby permit the Commissioner & Director of Agricultural Marketing to shift the following 4 Market Yards in the State and re-locate them.

- (1) Fruit Market, Gaddiannaram, Hyderabad.
- (2) Agricultural Market Committee, Kurnool, Kurnool District
- (3) Agricultural Market Committee, Guntur, Guntur District.
- (4) Market Yard, Bhongir, Nalgonda District.

3. The Commissioner & Director of Agricultural Marketing is requested to first identify suitable land and after involving a proper consultant, go for alienation of Government land wherever available and where not available go for acquisition of land for establishment of a new Market in a full fledged manner in these (four) areas and then shift the existing Markets to that place.

4. The Commissioner & Director of Agricultural Marketing is also requested to plan the new markets in a better way by integrating the facilities such as Post Harvesting, Food Processing Units, Cold Storages and Ware Housings etc., as a

p.t.o.

Model Integrated Markets in the State. If necessary the Public Private Model Partnership be encouraged for providing better additional infrastructure in the Markets in the larger interest of Agriculture Farmers in that area in the areas of Post Harvest technologies, Cold Storage facility and food Processing. The Modules for integrated Market may be designed in a comprehensive way keeping in view future development of concerned Agricultural Market. While inviting the Public Private Partnership (or) Private investors in the Market Yards for providing post harvest to technologies food processing and cold storages further, the Rules & Regulations etc. be followed strictly and a competitive transparent model be evolved for identifying such private partners and their participation in setting up above facilities.

5. Government have also hereby constitute a Committee with the following members at district and State level to monitor and follow up the establishment of the above new market yards in the Districts specified:-

District Level:-

1. Joint Collector concerned	--	Chairman
2. Joint Director of Marketing	--	Member
3. Deputy Director / Asst. Director, Horticulture	--	Member
4. Joint Director, Agriculture	--	Member
5. Assistant Director, Marketing	--	Member / Convener

State Level:-

1. Chief Commissioner of Land Administration & Spl. Chief Secretary to Govt. AP., Hyderabad.	--	Chairman
2. Commissioner, Marketing	--	Member /Secretary
3. Commissioner, Horticulture	--	Member
4. Commissioner, Agriculture	--	Member

6. The Commissioner & Director of Agricultural Marketing shall take further necessary action accordingly.
